**Bored and busty Candy (35)** polishes her surfaces with her bouncing D-cups while her pussy buffs her neighbours' crown jewels to a shiny finish. The knickerless knob-polisher hates hoovering, whines about washing up and gets irate about ironing, but can't get enough of cleaning up your cum spilt over her booty or slopped over her tits. ## Lay-by lady

Last month, Debbie and I were parked up in a lay-by when some bloke gave us the horn by staring up her skirt as she sat in the car with her legs on my lap.

So on the drive back, we stopped off at the same lay-by and sat for a while, hoping that a bloke might come past soon. After a while a car pulled up behind us and a man got out to put some rubbish in the bin which we made sure we had parked right next to.

Debbie had a short skirt on and it just covered her white lacy knickers. She sat with her legs up on the seat, pretending to read the paper.

After a while Debbie

changed position, lying across my lap with her feet up on the passenger side of the car, all the time pretending we hadn't noticed him there.

I bent down to kiss her

a couple of fingers up her juicy cunt and finger-fucked her with our friend watching just inches away. After a few minutes she screamed that she was about to cum and I

## I showed him her soaking wet pussy

and whispered to her that he had now moved round to the other window to get a better view.

I put my hand on her leg and pulled her skirt right up, revealing her black stocking tops, white lacy knickers and her black fanny hair.

She asked me if he was still there and I whispered that she should open her legs wide. I started to rub her fanny through her knickers making her moan out loud.

I then pulled her knickers to one side to show him her now soaking wet pussy. I slid

watched her have of the best orgasms of her life. We will do it again very soon!  
*Debbie, Swansea.*

## House warming

We were messing around in the bedroom (as always) when there was a knock at the door - it was a stunning blonde girl, about 25, with huge boobs and a cute arse.

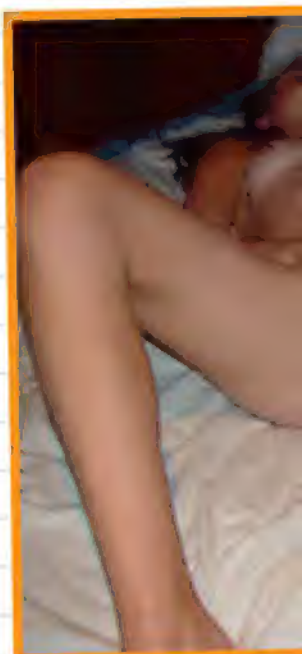

"I've just moved in next door and have locked myself out," she explained. Then her face flushed after she saw our state of undress and realised we'd been fucking.

I helped her back into her flat and came back to find my horny wife Nadia banging her pink pussy with her favourite dildo, rubbing her clit frantically.

"I couldn't wait," she said as I put my cock in her mouth. "Isn't our new neighbour cute?" Then she pulled the dildo from her pussy and sucked her pussy juice off it.

There was a knock at the door. "Does she want to join in or what?" asked my wife.

There at the door, dressed in a long black coat,

"Mmm, that's the spot," Nadia whispered and looked up to see me looking down at her. "What the fuck?" she sputtered. "It's the girl from next door!"

I said that she wanted to thank us for letting her back in - "and if this is how she does it I will help her out again!"

inside her," the wife said. "Cum on her face!" I could feel my spunk starting to shoot up my cock as I stood

to fuck her on all fours, my balls banging against Nadia's pussy and Natasha's chin simultaneously. I fucked her

up, held Natasha's head back and released my thick sticky cum into her mouth and all over her face.

Making sure not to waste a drop, I pushed out every drip of spunk into her open mouth.

She wiped off a handful of my cum then moved her hand

with a long stroke until I felt her pussy tighten around my cock and her bum cheeks clench as she came all around my cock.

My balls went tight and I squirted my thick sticky cum load into wife's tight cunt, leaving my dick inside her and squeezing

was the new neighbour. "Hi, I'm Natasha," she said. "Thanks for getting me back in to my house." "No problem," I replied.

"Can I come in again?" she asked. "But you can tell your wife to stay in the bed this time." She walked into the bedroom as Nadia was lying on her back legs just hitting her climax and wanking her pussy for all it was worth.

Natasha slipped off her jacket to reveal a stunning body with a closely shaved pussy. Silently, she knelt at the end of the bed and leaned toward my wife's pussy. Natasha started to roll her tongue around Nadia's clit and pushed her tongue deep into her pussy hole.

Nadia looked into Natasha face and said "Just make me cum hard!"

I then hung my cock into my wife's eagerly awaiting mouth. "Make it wet," I told her. "I'm going to fuck her good and hard!"

My wife obliged. I knelt down behind Natasha and pulled apart her pussy lips and pushed home my saliva-dripping cock - what a tight pussy she had!

It was perfect - I was fucking this really cute girl while I watched her lick out

my wife's pussy. I started to thrust harder as my wife started to moan.

"Here it comes!" Nadia gasped and splashed a thick squirt of lady-cum into Natasha's mouth followed by three more big squirts. I fucked Natasha even harder, repeatedly banging her face into my wife's cum-oozing pussy. She was covered in it - it was dripping off her chin and onto her breasts. Seeing this, I fucked her harder still. "Don't cum

down as she started to rub our cum in to her pussy. This was the point when Nadia got up, leaned over and started to lick the rest of my cum off Natasha's face - my wife is so hot!

"Lie on your back," said my wife to Natasha, who laid back and opened her legs, showing Nadia her swollen, freshly-fucked pussy. "Looks like my husband did you good," she said.

"Mmm," was the reply, so Nadia, who had never licked a girl's pussy before, sat on Natasha's face and started to grind her pussy against it!

Then lowered her head, spread Natasha's labia wide and started to suck pussy like a pro. She flicked her clit around with skill, then slid two fingers up her pussy.

As she delicately licked Natasha's hole, I mounted my wife from behind and started

the last drips of cum from my sack.

Then I pulled out and watched as our cum loads started to stream from her pussy, splashing over Natasha's face.

Nadia sat back onto her face and gyrated her hips and the last of her cum dripped out into Natasha's mouth.

She looked up at us both and said, "That was way better than any house warming party!" We looked down at her used spunk-covered body heaving with ecstasy and smiled.

And that's where the story ends. It was also the beginning of a friendship that is still ongoing. Natasha spends two, maybe three, nights a week in our bed now (What a lucky guy I am!).

I enclose some photos of Nadia taken by Natasha!

### ROMAN ARENA

There might be no bloodshed in this Polanski-helmed gladiatorial spectacle, but vomit, vase water and bile drip from the screen as these middle class Manhattan couples rip each other apart at a meeting to discuss their warring children, with hamsters, Africa, and apple cobbler all contributing to tear away a thin veil of politeness. Jodie Foster is superb as a thin-lipped, uptight liberal slowly, then not so slowly, losing it. Out June 18th.

Aren't aphids beautiful  
at this time of year?

### LADY STARKERS!

Getting my weekly fix of bums, boobs, dwarves and dragons in Game Of Thrones, I was delighted to see one of my faves Masie Dee getting her bits out as a nubile whore. If you haven't seen it, we won't give it away, but suffice to say that poor Masie meets a sticky end after a good spanking - funnily enough the same normally happens with the Ed's cock after looking at pictures of her!

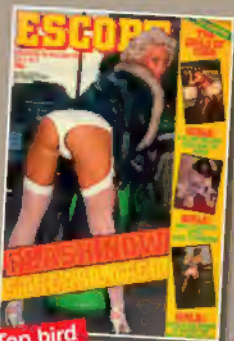

GAME OF THRONES

### Dear Julia

I've collected every issue of *Escort* since it was launched. *Escort* was and still is superb. I came across cover girl Lynn Armitage vol 3 no 11 - wow! Don't her white knickers look terrific on her bottom. I personally think it's got to be one of *Escort*'s best ever cover shots. Her legs and bum are perfection. I was wondering if it would be a good move for *Escort* to show classic sets like *Mayfair* do? Graham, Redruth.

## DEAR JULIA

**Julia says:** I get so turned-on looking at the old mags and often wonder where the girls are now and if they're still as randy. I've been here years and I'm still horny as fuck so I think they are too!

### Dear Julia

I adore hairy pussies and was pleased to see the thick rug sported by Lydia in vol 32 no 5. I get off on a big hairy twat being pushed into my face and seeking out the soft pink hot centre with my tongue through the smooth bush. Maybe more of your girls could let their hair down! Harry, Petersfield.

Hirsute's you, sir

**Julia says:** Like the lads in the office, I rarely shave either.

### Dear Julia

To Candice (vol 31 no 13): I want to spread your body with whipped cream and slowly lick it off till you beg for my big hard dick inside you. I'd fuck you in the arse and blow my load all over your face. Paul, Belfast.

Candice caned?

If you like vanilla sex, stay away from this knickerbocker glory of arse-fucking, pussy-fingering and wanking off slaves. If it's kinky, director 'The Voyeur' points his lens at it. I was particularly keen to see the return of Omar, whose kingsize corker of a cock has given me collywobbles in my pussy since I saw him in *Buttman's Extremely Big Tit British Adventure*. *Fuck Dollz* also stars Paige Turnah and Rebecca More.

I was hoping that as she's not a great drinker she'd be putty in my hands, or mouth – however she fancied doing it.

Like the best crims, I chose my spot carefully – Clerkenwell's Exmouth Market, where Moro sits:

freshness and earthiness of North Africa, while Claire's classy stuffed artichoke heart packed a gutsy, eggy, tomatoey punch. Claire, kindly warming up with a zesty, aromatic Verdejo (Jose Pariente 2010) allowed me to gently tongue her pert petals... on her artichoke.

My wood roasted chicken was intensely tender, smoky and salty – just the way I like. With a refreshing courgette and pine

nut salad and farika (an Arab alternative to rice) it was farking good. Claire was delighted with her grilled sea bass.

There's something deliciously naughty about a late lunch, when the drones are sweeping Monster Munch crumbs out of their keyboards,

when even the restaurant staff are thinking, "Are they ever going to leave?", and all you've got on your mind is how you can work your way through the sherry list.

I don't know much about Morocco, but after hearing some hair-raising stories from an ex who'd visited Tangier, I thought that any country that allowed that level of carnal pleasure to exist unmolested had to allow it in culinary form as well.

I was right. My calf's liver with labneh, sage and chilli butter sang with the heat,

Claire's flush was spreading pleasingly across her cleavage, as I hoped I'd be spreading pleasingly across it after another one.

As staff podded broad beans for the dinner service, I prodded my partner's crotch with my toe and led her to the Moroccan-tiled disabled lavs. Plenty of room here for a couple of waiters I remember thinking as I cleansed my palate with pussy.

We thought rummaging in your pants when you're talking to someone was the preserve of the over-comfortable male of the species, slumped on a sofa, watching the football, thinking about tits and telling the wife he's "checking for lumps" if she complains. ## SPECIAL DELIVERY

**F**unny how things turn out, isn't it? I've been overseeing some work on a house we've bought about an hour's drive away from where my husband works. It's kept me occupied to such an extent that I guess I forgot just how much John was working, but as I came to the end of the project, I started to feel bored and unsatisfied.

It all came to a head when the new lounge suite was delivered. It was handmade, and came in sections which the deliverymen fitted together on site. Afterwards, I figured it was the least I could do to make them a cup of tea.

"You'll be celebrating tonight, then," one of them said, "Now that you've got the place all finished." I smiled and told

them that chance would be a fine thing, and that my husband would probably have to work late.

I did feel like celebrating, though, and fancied a drink. You can't drink alone, though, so I offered them a beer. The one driving declined, but his mate had a bottle, while I stuck to wine. We sat there chatting for a while, and as the wine went down I found myself flirting with them.

They were both quite young, mid 20s, and in good shape. They reminded me of when I was that age, up for anything. Gradually the conversation got saucier

and saucier, and I could feel myself getting more and more turned on. John was the last thing on my mind as I went to get another glass of wine. I don't know if it was the wine, or my mood, but when I got back I stood in the doorway, leaning with my back against it, and said, "What I'd really like to do is christen the sofa. Are you up for it?"

The guy who was driving looked a bit stunned, but his mate was up like a shot. I smiled and wrapped my arms around his neck, pressing against him. His hands came round and reached under my top to squeeze my boobs. Feeling his hands on my flesh was incredible, and any thoughts of anything other than getting fucked flew from my mind. I pushed him away a little and dropped to my knees in the doorway. He was wearing jeans, which I unzipped and pulled down, revealing a thick cock

I grasped it and, after giving a couple of tugs, took it greedily in my mouth. Then I took my mouth off his cock, wanking the shaft as I licked his balls.

He stepped out of his trousers and we moved over to the sofa. He sat up on the back in the corner and I knelt up on the soft leather and went back to sucking his cock. He lifted his T-shirt up over his head, revealing a solid, muscular body, and stared at me as I sucked his cock. I stood up to strip, and saw his mate, sitting at the table, wanking. "You're welcome to join us," I said, but he didn't

move. I lifted my top and bra up before wiggling out of my skirt, leaving my white pants on.

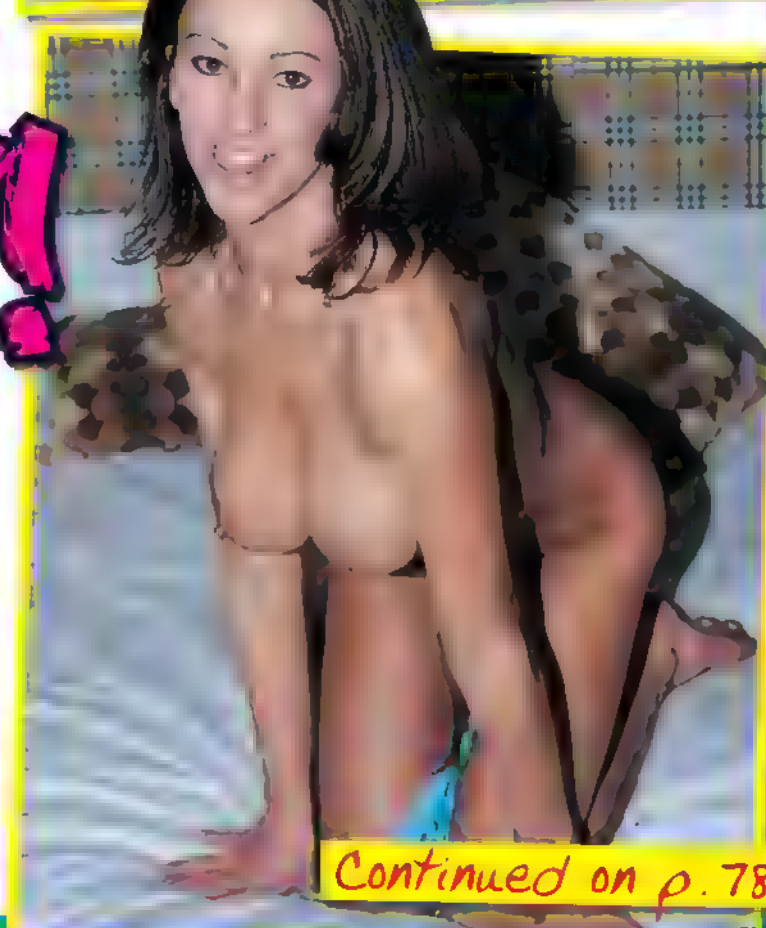

Then I sat astride the guy on the sofa, his cock between my legs, and ground back and forth, rubbing my pussy against his cock. He grabbed my tits and started to suck on one of them, moving his other

hand between my legs to frig my clit. It was wild.

I slid down his body, acting like a total slut, and taking his cock in my mouth again. I closed my eyes and enjoyed the taste of it, salty pre-cum leaking out over my tongue. Then I felt a hand move my knickers to one side - his mate had finally decided to join in - and a second stiff cock slid between the soaking lips of my pussy. It felt like a big one too, and there was no build-up with this guy, he just sank deep inside me and began to thrust back and forth, his hands grasping my fleshy arse cheeks and he pounded my pussy.

It felt incredible, sucking on a cock while another guy fucked me. I was really close to cumming, but it usually takes more than just penetration to get me there, so I pulled away from the guys and turned round, sixty-nining the guy on

## Doctor Yes

There was some survey in the paper recently about which uniform people found sexiest. Most women said a fireman's, while the blokes got hard over nurses.

Most nurses are probably too overworked to live up

to the fantasy, but – getting down off my soapbox – I try to embody it while I can. I've had a few shags during on-duty hours in my time, with other staff and even the occasional horny patient. Nobody with a heart condition, though!

The best time was with this junior doctor. I must have had ten years on him, but soon realised he was in lust with me. One day he asked was I wearing stockings – I said no, they were tight, but if he

came to see me the next day, I'd have a treat for him.

Sure enough, we ended up in an empty private room, blinds drawn, as he rucked up my tight uniform to get a proper look and feel of my suspender straps. There was a stripped bed in there, with a rubberised mattress, and he bent me over it, pulling my skirt up to totally expose my arse, the sussies stretched tight over my cheek-flesh.

I knew my pussy lips would be pouting out irresistibly from between them, all wet and shaggable, and sure enough I heard him fumble his pants down and slide up me in one thrust.

I thought it was just to kill time at work while he was on call, literally an on-the-job thing. But he was just as up for coming home with me when our shifts ended. He got me to suck his cock, still tangy with my pussy juices.

£120

All I want to do with my life is fuck, and I'll be happy and fulfilled. I know I can't screw all day every day, but I try to get as much in as I can. And I love sucking cock too, or

## I keep a dildo in every room for a wank whenever

and wash his jizz down with a glass of white wine – the perfect way for me to unwind after a demanding day!

Then he was ready to fuck me all around my flat – imaginatively, but not just for the sake of doing it in weird ways. The best fuck was when he did me from behind again, bent over my dressing table, so we could look at each other's reflection and see ourselves at it.

He stayed overnight and we walked to the hospital together the next morning – if anyone saw us, we didn't give a toss! I gave him more than a toss on the way in, though. We arrived with loads of time to spare, so we sneaked into a nearby park.

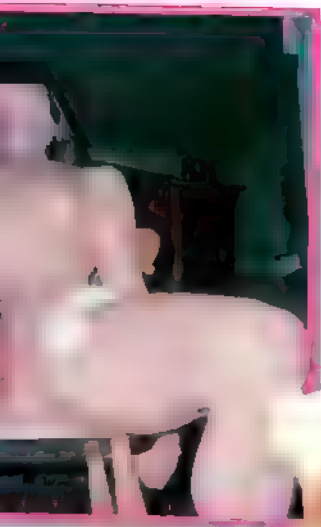

Just as he was fucking my snatch yet again, in the bushes just off the main footpath, a woman walked by. We don't know if she heard the noises we'd been making, but thinking we might have been caught, or been grassed to our bosses just added even more spice to our fuck-play. I'll be honest, I live for sex.

having a bloke go down on my pussy – whatever we're into at the time.

I'm a total nympho – I don't know if they mean it as a compliment but that's absolutely how I take it. Even when I'm on my own I'm insatiable. The other night, I was in my bathroom after taking a shower – by rights I should just have wanted to flop in front of the TV

Instead, I grabbed my bottle of baby oil from the shelf, squirted about half of it all over myself, rubbing it in

Then I grabbed a dildo – I keep one in every room so I can wank wherever and whenever the mood takes me – and started walloping it in and out of my cunt, making myself cum until I really was exhausted!

Well, we're not so hot at chess, but what the heck, we'll have a round, a frame, whatever. Tina's opening is typically flamboyant – she whips out her eye-straining EE cups. **OUR HORNIEST WIVES - UNCOVERED!**

# **SHOW US MORE!**

It's taken well over a year, but we finally got gorgeous MILF Jaimee-Leigh (31) into the studio. Not that she was reluctant. "I was raring to get going and was super-horny during the shoot. I'm so flattered readers have been begging to see more of me. And sending me questions too? What's my best sexual experience? Having sex with another woman while my husband watched. But I've also had sex with couples and once on a car bonnet in public! What fantasies do I want to fulfil? I'd love to go to one of those private couples parties!" Can we come?!

## Randy fellers

As I parked the car to walk the dog, I noticed a parcel delivery van with a guy sitting reading a magazine

He looked up as I walked past and I didn't notice him get out his van a few seconds

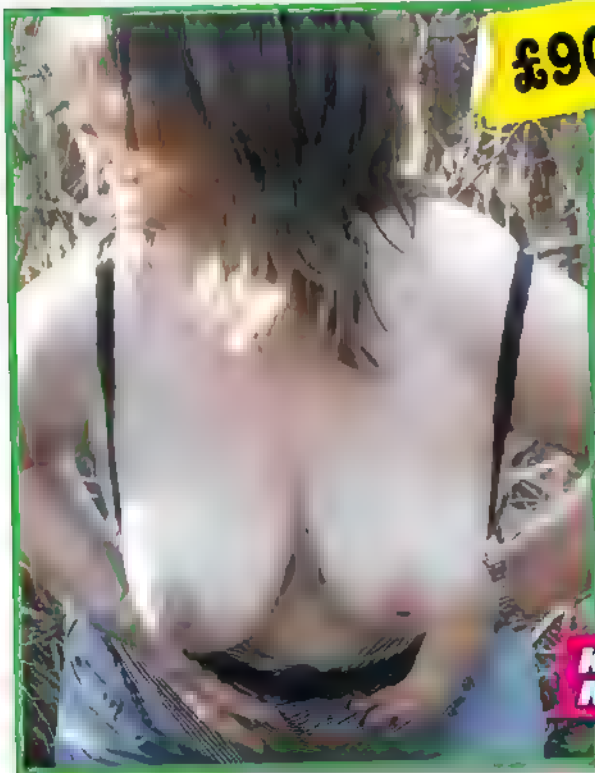

slowly spread my legs apart and started to caress my tits through my top until my nipples were rock hard.

I slipped my tits out of my top and carried on squeezing and pulling at my nipples, making them bigger than they were before

I noticed the guy was

them, Mark, said, "Nice arse, babe. Does it need a good seeing-to?"

The other tree feller, Peter, had moved towards me and his cock was now just in front of my mouth. I started to lick the end of his cock before I took it deep into my mouth.

The guy who had been wanking behind the tree, Steve, was now with us. He bent down and firmly squeezed my tits, as if he was milking me like a cow till I grabbed at his cock.

I alternated between Steve's and Mark's cock, sucking on each rigid pole of flesh and

wanking them off together.

It wasn't long before they were both ready too shoot their load.

I took Mark into my mouth just as he pumped his jizz down the back of my throat and I guided Steve's cock to my tits and it wasn't long before he came all over them. Next, they took turns fucking my cunt and arse until both my holes were filled with their cum.

When my husband found out what I had done I ended the day with a good spanking and another good fucking.

## They took turns fucking my cunt

later and follow me at a distance

When I got to a clearing in the forest I found a pile of logs that had recently been piled up so I let the dog off the lead and sat down.

It was then I noticed the guy half hiding behind a tree. I wondered if he had spotted me in *Escort* before.

I thought I would have some fun with this guy, so I

furiously wanking his ample cock.

I pulled my jeans down and showed him my shaven cunt which I slipped a finger over my now wet and hard clit.

I was getting so excited at the thought of this guy fucking me that I hadn't noticed the two tree fellers who had been watching me give my little show.

I was startled when one of

Like a good England fan, Cath enjoys a spot of masochism, although more of the being-tied-up-and-cocks-thrust-in-every-hole-type rather than the sitting-through-90-minutes-of-unmitigated-turgid-dress-way like most national supporters. Like England, she rarely gets out of her group. The perky foreplay-maker thrives on penetrating runs, balls in the bus and the bunga-bunga system of catenaccio. "I'll be cheering on our lads in June," Cath ejaculates. "If they win, they can use my pussy instead of the cup to drink champagne out of — even Roy Hodgson!"

# REAL WIFE SEX

Linda's story continued from page 19

the sofa and pushing my pussy down onto his face. Straight away his tongue found my hot spot and he lapped away, driving me wild. His mate came closer, and suddenly I had two decent-sized throbbing cocks in my face. What's a girl to do? I pulled his mate closer so that the two of them were right in my face, and then started lapping and sucking madly, moving from cock to cock as the guy standing grabbed my head and held me steady.

My climax had been building for a while now – the idea of the scene that was unfolding turning me on as much as the cocking I was getting. When I

finally did cum, it was a big one, and I shuddered as it whipped through me, whimpering and pressing down on the face of the stud licking my clit – for a minute I was worried I'd smother him! My pussy was too sensitive for any more attention, so I shuffled onto my knees and told the guys to stand in front of me. Then I wanked them both, all the while telling them what a slut and a slag I was, and how I wanted them to cum all over my tits, on my face and in my hair!

It certainly didn't take them very long with my potty mouth egging them on.

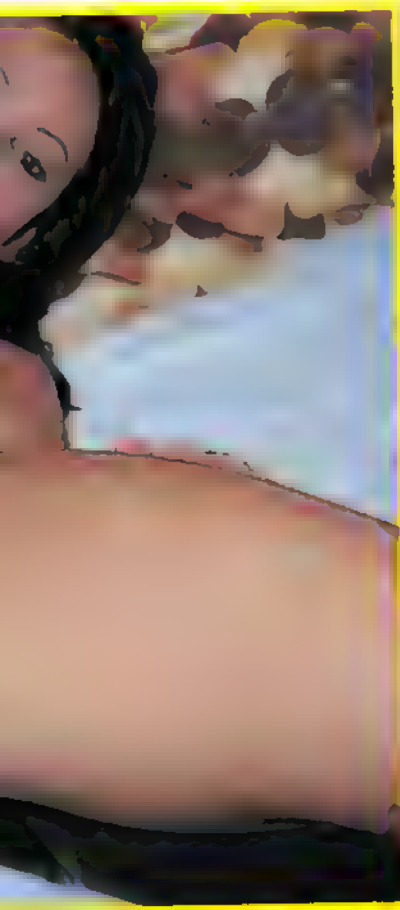

Their hands became blurs as they whacked their dicks and I verbally spurred them on to the finish line. "That's it, you dirty bast..." I managed before one of them filled my face with a hot blast of cum, making me squeal with pleasure. When he'd finished making me look like the patsy in a custard pie gag, the other one came up close, thrust his cock against my big tits and coated them with another big load.

We all lay back, shattered, the air in the room thick with the smells of sex. I was flushed red, and my hair was matted and sweaty, but I felt great. When I went back to the lounge the guys grinning madly. "Shall we call that a tip?" I said.

I made it clear right there and then that I wasn't up for any return visits, and by the time John came home that evening - too tired to fuck - you'd never have known I was anything other than a squeaky-clean wife. It's worked for me, though - the itch I was feeling is gone, and if I find myself getting frustrated, I just think of those guys and almost straight away I'm able to bring myself off. ☺

Pop-up restaurants and exhibitions are all the rage these days, but Kloe prefers popping out at all these venues. "Nothing gives me a better buzz than showing off my bits to a load of strangers. In my top three are getting my boobs out on top of a London tour bus, getting shagged rotten under a Waterhouse in the Manchester Art Gallery, and getting my pussy sucked by strangers in a Leeds lay-by!"

## Pick-up and stick-up

**R**ecently I picked up this fare going home from a club. I dropped her mate off first – she was worse for wear – but then this girl Vicki started flirting with me.

When she got in the car after walking her friend to her door, she sat in the front seat next to me, not in the back where they'd been before.

She was wearing these black over-the-knee socks, more like stockings really, and the flash of thigh above them got the blood flowing to my cock.

My reward for getting her home safely was a full-on eyeful as she hiked her skirt right up, exposing a little

triangle of black thong. She took a tenner out of her purse, waved it at me and said I could either take this and go, or she could pay me in kind.

Her place was on a side

to wank my cock. She also managed to reach down and tip my seat right back.

She snogged me again, then shoved a nipple in my mouth as she moved over to straddle

street, quiet at this time, but there was still a chance of us getting caught.

She took the lead, snogging me, then reaching down inside my trousers

me. Her knickers weren't that much of a barrier – it took one finger to pull them aside so I could get her sitting on my hand. As three fingers sank in her pussy, my cock began to

## Fanny girl

**M**y fiancée has got this thing about "letting her fanny breathe" – she never wears much more than a T-shirt in bed, or around the flat if she can get away with it.

On a picnic in the park recently, she had her dress

buttoned all the way down the front and I soon got it off her, then I tossed her a yoghurt, knowing she wouldn't just eat it like a normal, boring person. I watched as the pale pink goo dripped over her tits. It wasn't the same colour as my cum, but you get the general idea!

I straddled her body, gently pinning her down – which she loves – and started fucking her tits, just sliding my cock over her boobs rather than sticking it in between them.

Now it was sticky with yoghurt, I put it in her mouth, so she could taste the sweet treat from my helmet. And even when she'd sucked me clean, she just kept on, and she'd have swallowed the entire contents of my bollocks if I hadn't pulled out and shot them on her boobs too.

I wasn't denying her, just delaying it. I'd brought along one of those posh fresh fruit salads,

and started dipping chunks of it in my jizz. Then I kept feeding it to her, watching her lick her lips as she savoured the taste.

Once all my spunk was finished, I started skimming the fruit through the batter welling at her cunt opening. Now and again I'd slide a piece up her, then suck it out

before eating it. By the time we'd finished the fruit, she was halfway to cumming – and desperate to get my cock up her.

"You go on top," I said, rolling back on the grass, my knob straining flat against my belly. She obliged, looking as horny as I'd ever seen her, long legs spread and the

pulse against her palm – she felt so hot and sloppy and I couldn't wait to get inside her. She was pretty eager, too. The second I slowed down the pace of diddling her fanny, she shoved my hand aside and guided my dick inside her. I groaned as she rode me, tightening and squeezing around me.

Then, suddenly, she pulled off me. I thought maybe she'd seen someone coming, but then I saw her scooping cream out of her cunt and rubbing it over her arsehole.

Slowly but surely I penetrated her tight ring. The dirtier and riskier the sex, the more she got off on it. I started fingering her clit, driving her wild.

Her pussy was running with juices, soaking my pubes, and as she came it felt like her arsehole was sucking on my cock. I managed to keep from cumming long enough for her to orgasm again, but when I let go, it felt like the spunk was gushing out of my bollocks. I still look out for her when I pass that road!

breeze catching her long blonde hair. Her nipples were hard and suckable, and her snatch felt so hot and tight around my shaft.

She rode me hard, holding on tight and clenching her pussy even harder around my prick. So much it felt like she was massaging my cock as I ploughed in and out of her.

I took a little suck on her nipples – if there'd been a roof above us she would have hit it with pleasure, cumming one final time.

We spent our day just fucking, eating and chilling out, until the sun started setting and even Kirsten had to admit it was a little bit cold to be starkers!

## Cine 69

The other afternoon Mark and I went to a matinee, and had the whole back row to ourselves.

After half an hour, I felt him stretch and slip an arm around my shoulder. As his hand crept down to brush my tit, it somehow felt dirtier than when he caressed my cunt in bed at home!

We had a snog, gently at first, then we really got into it – sucking face, tongues tangling up.

Marcus had a hand on my knee now, slowly moving it up my thigh. I played hard to get, moving it back down, but he started to feel his way up again, and I just let out a whimper, giving in to it.

Now he was nuzzling down my low-cut top, with his hand slipping inside it from below. He cupped one of my boobs and managed

humping against his hand.

So far it had been one-sided, so while I was still buzzing, Marcus put my hand on his dick, with his jacket

**I tossed him slow till he moaned he was ready to cum**

to pull it free from my bra, sucking it through the fabric of my top, then yanking the neckline down to expose my nipple.

I felt quite dirty now – this was something that could get us chucked out! Marcus fondled my pussy through my knickers, then his fingers slipped inside them and he started frigging my slit and clit.

I heard the seat creak as I started cumming, twisting and

over his lap.

I tossed him slow and easy. He kept it together better than I did, looking like he was watching the film.

He moaned into my ear that he was going to cum, so I moved the jacket and got my head down, opening my mouth wide to swallow every drop of his spunk.

We're going to act like teenagers at the movies again very soon!
